

ABC RENTALS DONATION/DISCOUNT REQUEST FORM

Thank you for considering ABC Rentals as being part of your event or fundraiser. It is very common for us to get asked to donate items or give a discounted rate. As we wish we would be able to accommodate all the requests, it is just not possible for us to do so. However, we do like to give back to the community and would like to carefully consider each request. If you could complete the Donation Request form and submit it to us at least four weeks in advance, we can determine the requests that we will be able to honor for this year.

Thank you for your cooperation and understanding.

Best Wishes!!
